Event Details

All bar registers are programmed to begin recording sales at 6pm. This includes food, beverage, alcohol and retail sales from each of the four bars that night until 2am. This includes sales from the members of your group as well as the general public. All sales from the bar areas and from the formal dining area will count toward your total, this helps accommodate those who do not wish to be a part of the bar scene.

Event Rules

All parties that wish to eat in the formal dining area and would like their check to count towards our total sales **MUST** make reservations by 5pm May 21st. Otherwise, parties will have the option to eat in one of the bar areas *(no reservations are required for bar dining)*.

Event Entertainment

This event will feature a silent auction, big 6 gambling wheel, raffles, live music, a magic show and will be attended by local television crews and newspapers along with assistance from 98Rock. Don't miss your chance to win concert tickets donated by 95.5 FM. You could possibly meet players from the Ravens, Charm City Roller Girls, and Hells Angels.

We Need Your HELP!

First, we want to THANK YOU for your interest in this event. We need your help with more ideas on how to draw more people to this worthy event. Would you have a desire to help? Perhaps you have connections with celebrities (bands, sports heros, entertainment stars, etc) you could invite or send us their contact info. Or maybe you belong to or know of an organization that would like to assist or attend this event.

If you wish to share ideas and connections, or if you have questions, please contact Heidi Shoemaker at AAAautism@gmail.com and someone from our benefit support team will get back to you right away.
