1973 SPRING SCHEDULE & RESULTS

April 29, Sunday---25-mile walk-a-thon. started run at 10 a.m. after most of the walkers were long gone. Had no trouble at all until we hit Highlandtown and then it was running through the hoards until we hit Northern Parkway and Old Harford Road. From the times and effort expended I think we have a short course here.

May 27--10 mile road race at Wilde Lake Village in Columbia. Tim Giles set up a beautiful course with rolling hills and nice scenery. Put lime arrows at the turns and then the rains came and washed some away. I told Tim to paint the arrows but he said you don't do things like that in Columbia. Les led four of the runners off course and they just happened to see the lead runners coming back to put them back on course. 18 starters and finishers.

June 3--20 kilometers, Lake Montebello, Baltimore Road Runners Club Championship. On a hot and muggy Sunday morning, 19 runners started out at 10 a.m. for the club championship. Mike Sabino and Jimmy Lears just took off from the rest of the field and duelled it out for about 3½ miles when Mike opened up a 30-second lead on this mostly flat and scenic 4-lap course. Sabino pulled away for more than 250 yards and never faltered.

June 17--10 mile, 2-man relay at Parkville High School track.
Race started out as a real blister with the teams of Vaughn-Ramsberry and Harrison-Messenger pulling out to a slight lead over Bernier-Hamlett, the Lowmans, and Good-Ward. After about 6 miles it was Vaughn-Ramsberry (29.22), Harrison-Messenger (29.50), Bernier-Hamlett (29.55) and Good-Ward (29.56). The last four miles were really hot with all four teams giving it everything they had. The last two laps Vaughn was chasing a tiring Bernier who just wouldn't give an inch. It was really an exciting race for the runners and the spectators.

June 30--10 miles at Edgewood Arsenal. Vic Nelson and Charlie Messenger led a field of 29 runners on a flat course in 90-degree temperature and high humidity for about 4 miles before Nelson pulled away to win. The race was held in conjunction with Edgewood's annual carnival. It was a fabulous undertaking with prizes galore and errorless officiating. Thanks must go to two tireless men, Rick Warren and Capt. Bob Snyder, without whose effort this race would not have been run. Merchandise awards and gift certificates totaling close to \$500 were given by the youth activities committee. It's too bad that so few people turned out for the carnival and very worthy cause. I wonder just what has to be done to get runners out to compete for awards like gift certificates, fishing rods and reels (3), a basketball, film, pizza's, hamburgers, 10 cases of beer, 5 pairs of any Bata shoe, picnic jugs and many other prizes. After the race a keg of beer, pretzels, chips and dozens of cup cakes were consumed by the runners and friends. This race has to be a must on everyone's calendar next year. Let's make this one one of the biggest and best race dates of the summer. Thanks again to Edgewood Arsenal for a great time. (After the race, another measurement found the course to actually be 10.31 miles.)
