**Treasurer Report-**

Brian wants to eval recurring costs, race costs, revenue, etc. Missy working on figuring out recurring monthly costs.

-Accountant-We are currently paying \$250/month for ~1 hour of work per month. We discussed if it was worth keeping him or if it would be more cost effective to buy and use Quickbooks(\$500/year). May need to keep accountant for taxes. QB helps more seamless transition for treasurer. Will try to phase accountant out.

-Interest rates-need to move money to CD with higher interest rate to make money. Brian to meet with BOA to discuss our options.

-Henry has card from BOA(debit). Recent \$907 charge that we need to determine what it was for.

Race budget-Brian and Missy are going to compile all race budgets and bring back to the group.
